//TECHNICAL PROJECTS/RELEVANT EXPERIENCE

Past Projects

E-Portfolio Website

- Created a mobile responsive E-Portfolio for myself, showcasing some of my projects. gagep HYPERLINK "https://gagep-eportfolio.web.app/"-portfolio

Mobile-Responsive Band Fan Page

- Created a mobile responsive fan page for my local band "Supreme Remedy".

//Future & In Progress Projects

Setlist Generator

- Currently developing a web app with Laravel to assist bands and musicians creating setlists for shows. Complete with database integration, authentication and authorization.

Photography Showcase Website

- Developing a dynamic environment to showcase and archiving different types of photography I like to shoot.

//EMPOYMENT EXPERIENCE

<u>Shift Supervisor</u>
November 2017 - Present
Starbucks, Victoria, B.C.

- Guided a team daily, navigating though challenges together, resulting in some record-breaking sales for the store.
- Facilitating the onboarding and training of new hires and ensuring proper training requirements and understanding are both met though verifying learning and confidence skills.
- Applied quick problem solving of both customer issues, and business issues as they arise, with minimal impact to operations.

//INTERESTS

- Engineering music recording sessions with bands.
- Writing, and performing music.
- Photography.
- Creating software.
